About the Sobrato Cancer Center

The Sobrato Cancer Center treats nearly 1,000 newly diagnosed cancer patients each year. The Center has been recertified by the American Society of Clinical Oncology's Quality Oncology Practice Initiative.

Our mission is to provide excellent, personalized, culturally sensitive cancer care in the patient's language of preference. We accept all insurance plans.

Multilingual staff are available to coordinate every patient's cancer care needs. Translation services are available in 22 languages.

All referrals for patients with a suspected or confirmed diagnosis of gynecological cancer are accepted.
